MUHAMMAD ZUHDI YUDADHARMA
Web Developer

Malang | 085608797716 | yudazuhdi21@gmail.com | Linkedin | Portofolio

Summary

A Bachelor's degree candidate in Information Technology at Politeknik Negeri Malang, I have hands-on experience developing the LAB-ai Profile Website and a real-time classroom availability monitoring platform, along with a solid understanding of databases and machine learning. With a foundation in Software Engineering, I also served as the Deputy Minister of Internal Affairs for BEM Polinema, where I honed my leadership and organizational skills. I am particularly passionate about digital transformation and application development, and I thrive in team environments while remaining adaptable to new technologies.

Work Experiences

PT Aksamedia Mulia Digital - **Surabaya, Jawa Tlmur** Nov 2023 - Apr 2024

Intern
